The Library is issuing this Order to address two matters. First, the Library has become aware that Eugene Curry, who did not file a timely Notice of Intent to Participate in this proceeding, intends to seek leave to file a Notice. Mr. Curry filed a motion with the Library which was returned for lack of service on the parties to this proceeding. The Library has yet to receive a properly refiled motion. To prevent further delay to this proceeding, the Library grants Mr. Curry until September 1, 1999, in which to properly refile his motion. After that date, the Library will not entertain a motion from Mr. Curry seeking entrance to this proceeding.

Second, to facilitate settlement of this proceeding and to assist in the scheduling of arbitration, if necessary, the Library is directing the parties to report the status of their settlement negotiations by October 15, 1999.

Wherefore, **IT IS ORDERED** that Eugene Curry has until **September 1, 1999**, in which to properly file and serve a motion for leave to accept a late-filed Notice of Intent to Participate. **IT IS FURTHER ORDERED** that the parties to this proceeding shall report, in writing, the status of their settlement negotiations to the Library no later than **October 15, 1999**.

SO ORDERED.
